Matthew Dean, Front-End Developer

Hello! I'm a Developer & Designer with 10 years of experience.
I love to create interactive experiences that inspire users.

Employment History

Senior Art Director/Developer at Health Union, Remote

January 2016 — June 2023

After years of leading the creative for multiple Health Union websites, I broke away from the editorial team and helped start the product team. Here I was able to work with various teams throughout the company to create interactive products that enriched our users while satisfying the needs of our clients.

Graphic Designer at The Thomas Agency, Dallas, TX

May 2015 — December 2015

Designed various projects including, posters, logos, flyers, and advertisements as well as maintained multiple clients.

Education

Graphic Design, Samford University, Birmingham, AL

August 2010 — December 2014

Skills

JavaScript	HTML & CSS
Git	Responsive Web Design
Figma	React
